Workplace Pensions direct

AE RESCUE SERVICE

WHO IT'S FOR

Employers who have passed their staging date and are having issues with:

- Pension scheme administration
- Payroll administration
- Employee assessment

WHAT'S COVERED

Compliance:

- Employee communications
- Pension contributions
- Pension scheme administration
- Declaration of Compliance

Payroll functionality:

- Is payroll set up correctly?
- Is employee assessment being carried out correctly?

Pension scheme:

- Accurate data uploaded to pension provider
- Payments made to pension provider
- Ongoing administration support

The Pensions Regulator:

- If necessary – WPD will liaise with TPR in connection with compliance notices or amendments

Employee helpline:

- Pension related queries
- Pension transfer guidance

HOW DOES IT WORK

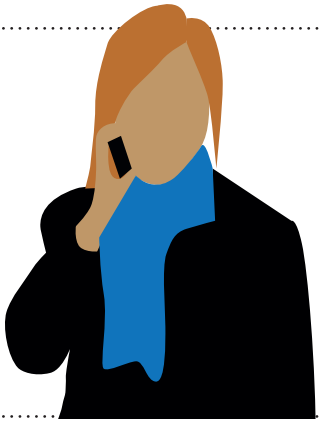
An initial telephone call to discuss the current situation and processes.
WPD provided with access to pension provider online portal
Full analysis undertaken and recommendations made
Any issues rectified by WPD

Workplace Pensions direct

WE'VE GOT THIS DOWN TO A TEE TRUST US

Here at WPD, we simplify auto-enrolment for small businesses and accountants as specialist pension and payroll consultants.

Our end-to-end solution manages each step of the auto-enrolment process, protecting your business from unwanted fines.



SPEAK TO AN EXPERT
